

## **Magneti Marelli Awards**

**1937-2018**

### **2018**

**Magneti Marelli** has been named a **CES® 2019 Innovation Awards Honoree** for its **Smart Corner**. The announcement was made on Nov. 8 during CES Unveiled New York, a tech event that provides a sneak peek of the products and trends expected at **CES 2019** in Las Vegas.

**Magneti Marelli Powertrain India** wins the “**Technology and Innovation Award**” from **Tata Motors** for AMT technology, during the **Annual Supplier Conference 2018** at Colombo, Sri Lanka.

**Magneti Marelli Automotive Lighting Reutlingen GmbH** received the special award “**Launch of the Year**” for the **Porsche Cayenne** program (Rear Lamp) at the **VW Group Award 2018**.

**Magneti Marelli Cofap Brazil (Aftermarket)** won **Gold** in the **Shock Absorber category**, **Silver** in **Fuel Pumps category** and **Bronze** in **Head and Tail Lights categories** and **Engine Components** at the 9th edition of the **Sindirepa Prize** (Sindicato da Indústria de Reparação de Veículos e Acessórios de São Paulo), which took place in May in São Paulo.

**Magneti Marelli Motorsport** received in April the “**Premio Confartigianato Motori Formula E**” from **Confartigianato Roma**, for the Mahindra electric motor project.

**Magneti Marelli India** received in March 2018 the “**ACI AWARD 2018**” in the category “Component maker of the year” from **Auto Components India magazine**.

**Magneti Marelli Exhaust Systems Changsha** received the “**Excellent supplier**” award from **GAC-FCA**, during the GAC-FCA Supplier Convention (January).

**Magneti Marelli India** won an award as “**Component Maker of the Year**” from “**Auto Component India**” magazine (award ceremony on 15th Feb at Mumbai).

### **2017**

**Magneti Marelli Motorsport China** received the “**Superior Product Award**” from ASI, Auto Sport Industry Expo.

**Magneti Marelli Motorsport China** received by CTCC, China Touring Car Championship, the “**Best Partner Award**”.

**Automotive Lighting Brotterode GmbH** received by Minister of Economic Affairs Wolfgang Tiefensee together with the Foundation for Technology, Innovation and Research Thuringia (STIFT), the **Innovation Award 2017**, in the category “Industry and Material”. The highest economic honor for businesses in Thuringia was given to Magneti Marelli Automotive Lighting for the work which we have done on the laser–high beam module.

**SUZUKI** purchasing department selected and nominated:

- **Magneti Marelli Japan** as **Best Contribution Supplier Award** of 2017,
- **Magneti Marelli SpA-Powertrain** as Technology Development Supplier Award of 2017 (HCU & TCU Technologies).

**Magneti Marelli India** won the “**Special Jury Recognition**” award in the Transmission Technology of the Year category at the Indian Automotive Technology and Innovation Awards (IATIA) 2017, organized by a leading Indian Auto Technology magazine - Auto Tech Review, for 4th Generation AMT technology.

**The Magneti Marelli Melfi and Sulmona plants** received the “**BellaFactory4.0 Award 2017**” for their high levels of productivity and ergonomics. The award, promoted by Fondazione Ergo, was given in Milan, on April 2017.

**Magneti Marelli Aftermarket Brazil** received four awards at the 8th edition of the “**Best of the Year / 2017**” Award, promoted by **Sindirepa** (Union of Vehicle Repair and Accessories Industry of the State from Sao Paulo): two for the Cofap product line, with shock absorbers (Gold category) and engine components (Silver category), and two for the Magneti Marelli product line, with fuel pumps (Silver category) and headlights and lanterns (Bronze category).

**Maruti Suzuki Vendor Conference 2017:**

- **Magneti Marelli Powertrain India** shone in the “Comprehensive Excellence”, “Safety” and “Localization” categories
- **Magneti Marelli UM Electronic Systems** won the “Overall Performance Excellence” award
- **Magneti Marelli Motherson Auto System** won the “Overall Performance Excellence” award
- **SKH Magneti Marelli Exhaust Systems**, won the “Yield Improvement” category.

**Magneti Marelli Pulaski Plant** received the “**Industry of the Year 2016**” award from the Chamber of Commerce, voted also by the people in the community. The award was presented on February 2017.

## 2016

On the occasion of 20 years of automotive production in Brazil, **Honda** awarded its best suppliers, including **Magneti Marelli Sistemas Automotivos Indústria e Comércio Ltda** in the EXCELLENCE IN COMPETITIVENESS AND LOCALIZATION category.

<http://www.automotivebusiness.com.br/noticia/25676/honda-premia-seus-33-melhores-fornecedores-de-2016>

The **Bursa Automotive Lighting** plant in **Turkey** received two important recognitions as **Best Supplier 2016**: the first, awarded by Hyundai ASSAN Automotive, in terms of costs, delivery and quality, and the second, assigned by Tofas FCA, for the quality of performance.

**Magneti Marelli Motorsport** has received an award at the Professional MotorSport World Expo 2016 in Cologne (Germany), in the category “**Motorsport Technology of the year**” for the **High-Speed Camera**, adopted this year by all of the cars in Formula 1.

**Magneti Marelli Automotive Lighting Foshan** was awarded by **FCA APAC the Best supplier of the year** in the category Body & raw materials, APAC region.

In **Brazil**, **Magneti Marelli** was presented with the **REI 2016** award in the category “Engineering, Innovation and Technology”.

In **China**, **Magneti Marelli** was presented with the **Golden Panda** award in the “Time-Honoured Panda” category.

On the occasion of the “German Midsized Companies-Summit” held in Essen, the **Magneti Marelli Automotive Lighting** plant in Brotterode won the **Top-Innovator 2016** award for the 100 most innovative companies in Germany, thanks to its processes in the field of World Class Manufacturing.

## 2015

**Magneti Marelli Automotive Lighting Juarez, Mexico**, won the “**Q1 Award**” from **Ford** for the reduction in waste products, zero defects, respect for delivery deadlines and supplier development.

**Magneti Marelli Automotive Lighting Penang, Malaysia** received the “**Hibiscus Award**” from the Malaysian government for projects aimed at the reduction and re-use of refuse.

In Brazil **Magneti Marelli Brazil** won the “**Best Company in the Automotive Sector 2015**” in the category “**Quality and Partnership**”, assigned by **AutoData Editora**, a communications company specialised in the automotive sector, with online news agencies and various periodicals including the monthly magazine AutoData.

**Magneti Marelli Powertrain** won the “**Transmission Technology of the Year**” award in **India** for the **AMT Automated Manual Transmission robotized gearbox**, presented by the prestigious Indian automotive magazine **Auto Tech Review**, published by Springer India.

**Magneti Marelli Powertrain** won the “**Technology of the Year**” award in **India** for the **ATM Automated Manual Transmission robotized gearbox**, presented by **Zeegniton**.

**Magneti Marelli Powertrain** won the “**Automotive Pioneer of the Year**” award in **India** for the **ATM Automated Manual Transmission robotized gearbox**, presented by **Motoring World Magazine**.

**Magneti Marelli Automotive Lighting Brotterode GmbH** received the “**Top 100 Mentor Ranga Yogeshwar**” award for being one of the most innovative medium-sized companies in Germany.

**Magneti Marelli Shock Absorbers of Lavras in Brazil** received the **GM Award**. General Motors created the Enterprise Quality Management Program. The idea is to promote, through teamwork and benchmarking (comparison of products, services and practices) among various companies, ideas that can improve the routine in factories. Lavras unit received this certificate for the implementation of this program in your workflow.

**Magneti Marelli** won the **Volkswagen Award for Powertrain Innovation and Technology**.

**Magneti Marelli Automotive Lighting - “Red Dot Award 2015”:**

- “**Red Dot Best of the Best**” for the high quality of design and the innovative project for the Full LED intelligent headlight developed together with Audi for the Audi TT3 MY 2015
- “**Red Dot**” - for the design quality of the rear light prototype with OLED (organic led) technology. [*Automotive Lighting “Red Dot Design Award”: 2008 for the first full-LED car headlight in the world, made for the Audi R8: 2011 for the first intelligent full-LED headlight with adaptive illumination, developed for the Mercedes Benz CLS*].

**Magneti Marelli Automotive Lighting North America** won the “**Recognition of Excellence**” award presented by the **FCA Electrical Purchasing** division to its best suppliers.

In **India**, **Magneti Marelli** won the important “**Technology of the year 2015**” award for the **Automated Manual Transmission (AMT)** robotized gearbox, presented by the prestigious Indian automotive magazine **Overdrive** - which has been awarding technological and product excellence in the Indian and international automotive industry - and the related television network **CNBC-TV18**.

**Magneti Marelli Exhaust Systems in Changsha** in China won the “**Best Supplier Quality Award**” presented by **GAC-Fiat** to its best suppliers.

**Magneti Marelli** reached **second place** among Brazilian suppliers in the important **rankings of the 50 most important automotive suppliers in Brazil**, which is published every year by the publisher **AutoData**.

## 2014

**Magneti Marelli** received the **Technological Feature Award** at the 23rd edition of the SAE Brazil Congress. Solutions were presented that add security, interactivity and sustainability, in respect for increasingly strict standards of emission controls and energy efficiency linked to the automotive sector.

The **Magneti Marelli Automotive Lighting plant in Brotterode**, in Germany, was awarded with the **Volvo Cars Quality Excellence Award 2014** for the excellent performance results achieved.

**Magneti Marelli Shock Absorbers in Santo André** in Brazil won for the second year the **“GM - Supplier Quality Excellence Award”**, which is assigned to the best Brazilian suppliers of **General Motors**.

**Magneti Marelli** reached **second place** among Brazilian suppliers in the important **rankings of the 50 most important automotive suppliers in Brazil**, which is published every year by the publisher **AutoData**.

**Magneti Marelli** won the **“Golden Panda – The Sustainable Panda”** award, assigned by the **Italian Chamber of Commerce in China** with the patronage of the Italian Ministry of Foreign Affairs, the Italian Ministry for Economic Development and the Italian Embassy in China.

In **Brazil**, **Magneti Marelli** won the **REI Recognition for Excellence and Innovation Award**, receiving the title of **“Systems engineer of the Year”** in the automotive sector for the **FlexFuel technology**. The award was assigned thanks to the votes of the readers of the Automotive Business magazine and newsletter, and the participants of the V Forum for the Automotive Industry held on 28 April and the HR Forum held on 19 May.

The **Magneti Marelli Exhaust System plant in Cordoba** won the **“Qualitas Awards”** organised by the **FCA Purchasing Group in Argentina**, which is aimed at awarding the best suppliers of the year.

On the occasion of “Moto Idea”, the most important conference in the automotive sector in Poland, **Magneti Marelli Poland** won the **“Golden Moto Idea”** award in the TOP SUPPLIER category.

**Magneti Marelli Cofap Autoparts** in Brazil won first place at the **Everest Award 2014** promoted by **Distribuidora Automotiva**, a company belonging to the Comolatti Group, one of the most important automotive spare parts distributors in the Brazilian aftermarket.

**Magneti Marelli Exhaust System Pune** received the **“Supplier Quality Excellence Award”** from **General Motor India**, which awards the best performances of its suppliers.

**Mercedes Benz** assigned **Magneti Marelli Brazil** the award for **Environmental Responsibility** for the “reduction in reactive energy” developed by the Shock Absorbers business line at the Lavras plant.

The **Pedal Product Line** in the **Magneti Marelli Plastic Components & Modules** Business Line received the prestigious **Supplier Quality Excellence Award** from **General Motors**. The award was assigned to the Volvera plant in Italy.

The **Magneti Marelli Plastic Components and Modules plant in Itaúna**, Minas Gerais, Brazil, obtained **certification** as a **qualified supplier** from **Renault**.

## 2013

**Magneti Marelli** was awarded the **Golden Helmet**, an internationally-recognised prize set up by the magazine **Autosprint** in 1966 and assigned to the best drivers, teams and companies which showed outstanding performance in the recently-concluded motorsports competition season.

**Magneti Marelli Powertrain India Pvt. Ltd.** won the **runners-up award** in the Medium Size category during the third edition of the **FICCI** (Federation of Indian Chambers of Commerce and Industry) **Safety Systems Excellence Awards for Manufacturing-2013**.

The **Magneti Marelli Santo André plant in Brazil** won the “**Supplier Quality Excellence Award**” from **General Motors** Brazil for the quality of the products manufactured.

**Magneti Marelli China** won the “**100 Best HRM Companies**” 2013 award, presented to the best company for **Human Resources Management** among 100 companies selected by 51 HR Management companies. This is currently the most prestigious event concerning the management of Human Resources in China.

**Magneti Marelli Suspension Systems** received the “**Supplier of the year**” award from the **Vehicle Dynamics International magazine** for research into ultralight materials for suspension systems, on the occasion of the Global Automotive Components & Suppliers fair in **Stuttgart**.

**Magneti Marelli Aftermarket Brazil** won the **gold medal** in two categories - Suspension Systems and Suspension Components - in the “**Sindirepa SP-Best of the Year**” awards, sponsored by the **Vehicle Repair and Accessory Industry Association**, aimed at recognising the best companies in the segment in 2012.

**Magneti Marelli Powertrain Brazil** obtained the **Super (Supplier Performance)** award from **FIAT** for the work carried out on the implementation of technical solutions which lead to a reduction in costs.

**Magneti Marelli** received the prestigious **Chrysler Innovation Award from Chrysler** for the cutting-edge technology used in the Head Up Display (Hud).

The **Magneti Marelli Automotive Lighting plant in Bursa**, in Turkey, won the “**Respect to Human Reward 2012**” from **Kariyer Net**, the most important employment website. The award ceremony was held in Istanbul.

**Magneti Marelli Brazil** received **certification regarding conformity of Shock Absorber products** from the **company SGS** (Sociedade Geral de Superintendência), which allows the company to obtain the mark of conformity issued by INMETRO.

## 2012

Awarded by **WCM** during the **WCM Awards Ceremont 2012**, the **Bari Magneti Marelli Powertrain, Venaria Automotive Lighting and Jihlava Automotive Lighting (Poland)** plants received recognition for having achieved the **WCM Bronze Award**.

**Magneti Marelli** in Barberà del Vallès in **Spain** obtained **MC Mutual “Antonio Barò”** recognition regarding the prevention of risks in the workplace. The awards commission recognised the commitment of the company and the results in terms of prevention, and the protection of the health of workers.

**Magneti Marelli Brazil** was assigned first place in the autoparts sector for the management of social responsibility according to the **rankings** drawn up by the Brazilian financial magazine “**ISTOÉ Dinheiro**”.

**Magneti Marelli Aftermarket Sp. z o.o.** in Katowice in **Poland** won the “**Business Gazelle**” award for the fourth time, given to Polish companies which demonstrate significant growth in business, conducting scrupulous and transparent activity, which was assigned by **Puls Biznesu** with the participation of Coface Poland and the KB Kredyt Bank.

**Magneti Marelli Sistemas Automotivos Brazil** received the “**SuPER**” **Supplier Performance** award for components for the new Fiat Siena from **Fiat S.p.A.** and **Group Purchasing**.

**Magneti Marelli Exhaust Systems Brazil** received the “**Qualitas**” award from **Fiat S.p.A.** Brazil for its pioneering spirit, its commitment and excellence in technology.

## 2011

**Magneti Marelli** won the **Recognition Award for Excellence and Innovation (REI)** of Automotive Business agency. The supply of the fuel injection system for the first hybrid electric bus with engine combustion powered ethanol in the world was named the best case in the Auto Parts Electronics category.

“**Tester Vision**” by **Magneti Marelli** was awarded with the **gold medal** by the International Jury at the “**Automotive Technology Fair (TTM 2011)**” in **Poznan, Poland**, recognised as one of the most innovative and technologically advanced automotive diagnosis instruments.

The Mako **Magneti Marelli Automotive Lighting** plant in Bursa, **Turkey**, won the **HPR (Highly Protected Risk) certificate** following the audit for the prevention of industrial risk from the **Risk Engineering Department** of **AXA Corporate Solutions**.

**Magneti Marelli Suspension Systems Sulmona** received certification for **conformity with EN 16001:2009 and ISO 50001:2011 standards** for its Environmental and Energy Management systems.

**Magneti Marelli Brazil** received the **AutoData 2011** award in the Systems category for the production of Free Choice (robotized gearbox) and LED lighting technology.

**Magneti Marelli Automotive Lighting in Jihlava, Czech Republic:** the Government Health Institute (SZU) awarded the “**Health Promoting Enterprise**” award for the results obtained in terms of health and safety in the workplace.

**Magneti Marelli Brazil**, Inmetro, Instituto Nacional de Metrologia, Qualidade e Tecnologia, awarded the Vehicle Emission laboratory with **certification according to ISO/IEC 17025 NBR regulations**.

**Magneti Marelli Brazil** was the top company in the **rankings** published by the Brazilian finance magazine “**ISTOË Dinheiro**”.

**Magneti Marelli Brazil** received the “**Friends of nature**” award from the city of Contagem for the commitment made by the Company and all its employees in minimizing the impact of its manufacturing activity on the environment.

**Magneti Marelli Automotive Lighting** received the “**Ferdinand Porsche Award**” which is assigned every two years by the Vienna Technical University, for the first full-LED headlight fitted on an Audi R8.

**Magneti Marelli Exhaust Systems** in Cordoba received the “**Certificate of Merit 2010**”, an award given on the occasion of the General Motors Annual Award for results in terms of quality, costs, technology and assistance to the ten best suppliers of the American group in 2010.

**Magneti Marelli Exhaust Systems** received **recognition for quality** on the occasion of celebrations for the Day of Industry in Cordoba.

**Magneti Marelli Exhaust Systems** received the “**Fiat Qualitas Awards 2010**” prize in the “Materiale Direto” category.

**Magneti Marelli Automotive Lighting** received the “**Red dot award: product design 2011**” and the “**Special Award for Innovation**” from Daimler for the full-LED auto-adaptive headlight created for the Mercedes Benz CLS.

**Magneti Marelli Automotive Lighting** received the “**Daimler Supplier Award**” from the Daimler Group for the excellent results achieved by the company in the field of innovation.

## 2010

**The Magneti Marelli Historic Archive** received recognition as an “**Archive of considerable historical interest**” via official Decree from the Italian Ministry of Cultural Heritage and Activity.

**Magneti Marelli Brazil** was recognised as one of the “**100 best companies in Corporate Citizenship**” due to its role in the project of **social responsibility and environmental conservation** in Brazil, assigned by the magazine “**Gestão e RH**”.

**Magneti Marelli Brazil** received **Honourable Mention 2010** for its activities regarding environmental sustainability carried out in the automotive sector, awarded by **AEA, the Automotive Engineering Association**.

**Magneti Marelli Powertrain Brazil** was awarded for Best performance with the Flexfuel system and reduced CO<sub>2</sub> emissions at the **Michelin Challenge Bibendum 2010**.

**Magneti Marelli Brazil and Cofap** received the “**Autop of Mind**” award from the magazine “**Mais Automotive**” for being the most recognised brand by drivers.

**Magneti Marelli Brazil** won **first place** in the special rankings published by the **Brazilian magazine “Dinheiro”**, listing the top 500 companies in the automotive sector in terms of **social responsibility**, innovation and quality.

**Magneti Marelli Brazil** won the “**Qualitas Awards 2009**” prize from **Fiat Group Purchasing** for the innovation of the Power Shock absorbers and another award for the Exhaust Systems division.

**Magneti Marelli Powertrain India** won the “**Vendor Performance Award 2009-2010**” from **Maruti Suzuki** for the perfect observance of delivery deadlines requested by the client.

**Magneti Marelli Powertrain** won the “**Impresa Award 2010 for Environment**” presented by the **Italo-Indian Chamber of Commerce and Industry** for the innovative solutions and technologies adopted in protecting the environment in the Indian Magneti Marelli Powertrain plant, such as solar and wind energy, and the recovery of rainwater.

**Magneti Marelli Powertrain** was voted the “**Chery best service supplier**” for its commitment in punctually respecting delivery deadlines and was awarded the title of “**Chery core supplier**” for the strategic role of the partnership between the Chinese Automotive Industry and Magneti Marelli Powertrain.

**Magneti Marelli** awarded in 2010 for “**CES Best of Innovations in the In-Vehicle Accessories**”, with Ford Work Solutions, at CES, the Consumer Electronic Show, in Las Vegas, one of the most important international fairs for consumer electronics.

**Magneti Marelli** won the “**Outstanding Feature Award**” for the Ford Work Solution info-telematic system, on the occasion of the naming of the Ford F-150 SVT Raptor at “Truck of Texas”.

## 2009

**Magneti Marelli Electronic System Guangzhou China, 2009** awarded as “**A Class Supplier**”, by **FAW** Haima Automobile.

**Magneti Marelli Brazil** received the **AutoData 2009** award as the best automotive supplier from AutoData Magazine.

**Magneti Marelli Electronic System Guangzhou China** was awarded as the **2009 “Global Sourcing Supplier”**, by **DPCA** (Dongfeng Peugeot Citroen Automobile).  
**Magneti Marelli Powertrain Shanghai** received the **2009 FNR Excellent de Qualité** award from **DPCA** (Dongfeng Peugeot Citroen Automobile).

**Magneti Marelli Electronic System Chatellerault** received the **2009 HPR Highly Protected Risk** certification from the insurance company **AXA**.

**Magneti Marelli** received the **2009 Quality Award** at the FLQ Forum Lieferanten Qualität from **Volkswagen**.

## 2008

**Magneti Marelli Aftermarket Sp. z o.o.** in Katowice in **Poland** won the “**Business Gazelle**” award, given to Polish companies which demonstrate significant growth in business, conducting scrupulous and transparent activity, which was assigned by **Puls Biznesu** with the participation of Coface Poland and the KB Kredyt Bank.

**Magneti Marelli Automotive Lighting** received the “**Red dot Award Product Design 2008**” for the first full-LED headlight fitted on an Audi R8.

**Magneti Marelli Brazil** received **Honourable Mention 2008** for its activities regarding environmental sustainability carried out in the automotive sector, awarded by **AEA**, the Automotive Engineering Association.

**Magneti Marelli Brazil** received the **Pace Award 2008** from **Automotive News** for the Tetrafuel technology.

**Magneti Marelli Automotive Lighting Brazil** was awarded as **2008 Supplier of the Year** by **GM**.

**Magneti Marelli Powertrain** received the **2008 “Premio Quality of Business International”** from the Brazilian Institute for Research and Quality **Gomes Pimentel**.

**Magneti Marelli Electronic System Spain** won the **2008 Award for Socially Responsible Company** for its commitment shown in ensuring equality and equal opportunities in the workplace, presented by **the Mayor of Sabadell Manuel Bustos**.

**MM PWT Hortolandia Brazil** received the **Automotive News Pace Award – Environmental**.

**MM PWT Hortolandia Brazil – Ford - Environmental Conservation**.

**MM PWT Hortolandia Brazil – Top of Quality - “Destaque Segmento Autopeças” OPB – Ordem dos Parlamentares do Brasil.**

## **2007**

**Magneti Marelli Aftermarket Sp. z o.o.** in Katowice in **Poland** won the “**Business Gazelle**” award, given to Polish companies which demonstrate significant growth in business, conducting scrupulous and transparent activity, which was assigned by **Puls Biznesu** with the participation of Coface Poland and the KB Kredyt Bank.

**Magneti Marelli Brazil** received the **AutoData 2007** award as the best automotive supplier from **AutoData Magazine**.

**Magneti Marelli Exhaust System and Cofap**, Brazil, won at the **2007 “Qualitas Awards”** by Fiat Group Purchasing.

**MM PWT Hortolandia Brazil** won the **Ace Award** for technological innovation.

**MM PWT Hortolandia Brazil** won the **AEA de Meio Ambiente award** for Technology.

**MM PWT Hortolandia Brazil – SAE Brazil** awarded for Technological Development for Alternative Fuels.

## **2006**

**Magneti Marelli Aftermarket Sp. z o.o.** in Katowice in **Poland** won the “**Business Gazelle**” award, given to Polish companies which demonstrate significant growth in business, conducting scrupulous and transparent activity, which was assigned by **Puls Biznesu** with the participation of Coface Poland and the KB Kredyt Bank.

**Magneti Marelli Controle Motor (Powertrain)** won the **2006 Pace Award** from Automotive News.

**Magneti Marelli China (Powertrain)** was awarded as the **2006 Chery Best Technical Partner** by Chery LTD.

**Magneti Marelli Powertrain** was awarded the **2006 Confindustria Award** for Excellence.

**MM PWT Hortolandia Brazil** received the **Michelin Challenge Bibendum** award for Technological Innovation.

**MM PWT Hortolandia Brazil** won the **AutoData** for technological innovation.

**MM PWT Hortolandia Brazil** won the **Congresso Internazionale Alcool-Zucchero (Datagro)** award for the development of Flex Technology.

**MM PWT Hortolandia Brazil** won the **AEA** award for innovation.

**MM PWT Hortolandia Brazil** won the **AEA Meio Ambiente Industrial Magazine** award.

**MM PWT Hortolandia Brazil** won the **FINEP** award for technological innovation.

**MM PWT Hortolandia Brazil** was awarded by **Fiat** for Best Performance in Technology.

**MM PWT Hortolandia Brazil** was awarded by **Fiat** for Best Performance in Productivity.

**MM PWT Hortolandia Brazil** was awarded by **Fiat** for Best Performance in Quality.

## **2005**

**MM PWT Hortolandia Brazil** received the **QUALIDADE Q1 Award** from **Ford**.

**MM PWT Hortolandia Brazil** received the **QUALIDADE E PRODUTIVIDADE Award** from **CNI**.

**MM PWT Hortolandia Brazil** was awarded for Sustainable Development by **CNI**.

**MM PWT Hortolandia Brazil** was awarded by **SAE Brazil** for Technological Distinction.

**MM PWT Hortolandia Brazil** won the **AutoData** award for innovation.

**MM PWT Hortolandia Brazil** won the **AEA - SIMEA** award for Best Work: Fuels and Lubricants.

**MM PWT Hortolandia Brazil** won the Volkswagen award for Innovation and Technology.

**MM PWT Hortolandia Brazil** was awarded by **Fiat** for Best Performance in Technology.

**MM PWT Hortolandia Brazil** was awarded by **Fiat** for Best Performance in Quality.

## **2004**

**Magneti Marelli Motopropulsion France** was awarded **2004 Preferred Quality Status** by **Ford**.

**Magneti Marelli Control Motor (Powertrain)** won the **2004 World Excellence Award** from **Ford**.

**Mako-Magneti Marelli Turkey** won the **2004 Preferred Quality Award** from **Ford**.

**MM PWT Hortolandia Brazil** won the **AutoData** award for Innovation.

**MM PWT Hortolandia Brazil** won the **FINEP** award for technological innovation.

**MM PWT Hortolandia Brazil** won the **Volkswagen** Best of the Best award.

**MM PWT Hortolandia Brazil** won the **Volkswagen** award for Innovation and Technology.

**MM PWT Hortolandia Brazil** won the **Volkswagen** award for Powertrain.

**MM PWT Hortolandia Brazil** won the **Infraero/Ciesp** award for Logistics chain efficiency.

## **2003**

**Magneti Marelli Cofap Brazil** was awarded **2003 Best Supplier** by **DaimlerChrysler**.

**Magneti Marelli Powertrain** won the **2003 award from AutoData** (a South American motoring magazine) for best performance in technology, innovation, financial results and marketing.

**MM PWT Hortolandia Brazil** was awarded Competence in Development by **Volkswagen**.

## **2002**

**Mako-Magneti Marelli Turkey** won the **2002 World Excellence Award** from **Ford**.

**MM PWT Hortolandia Brazil** received the Suppliers' Award in the Metal Category from **AutoData**.

**MM PWT Hortolandia Brazil** received the Systems Engineering Award from **AutoData**.

## **2001**

**Magneti Marelli Controle Motor Brazil** won the award for VW Development from **Autolatina**.

## **2000-01**

**Magneti Marelli Cofap Brazil** won the Q1 Preferred **Quality Award 2000-01** from **Ford**.

## **1997**

**Magneti Marelli Controle Motor Brazil** won the award for Quality from **Autolatina**.

**Magneti Marelli Controle Motor Brazil won the award for VW Technological Development from Autolatina.**

### **1995-96-97**

**Magneti Marelli Cofap Brazil won the Quality Excellence Pentastar Gold Award in 1995-96-97 from Chrysler.**

### **1994**

**Magneti Marelli Cofap Brazil won the Premio de Qualidade 1994 from GOV. DO ESTADO M.G.**

### **1993**

**Carello won the 1993 GM Supplier of the Year award from GM.**

**Weber Bologna won the 1993 Preferred Quality Award from Ford.**

**Magneti Marelli do Brasil won the FIAT Best Performance Award.**

### **1992**

**Weber USA INC won the 1992 GM Target for Excellence award from GM.**

**Weber Bologna won the 1992 Preferred Quality Award from Ford.**

**Carello won the 1992 GM Quality Service Price Award, Supplier of the Year from GM.**

**Jaeger Tepotzotlan Mexico won the 1992 Preferred Quality Award from Ford.**

### **1991**

**Magneti Marelli Cofap Brazil won the Premio de Qualidade 1991-92-93 from Autolatina.**

**Weber Bari won the 1991 Preferred Quality Award from Ford.**

**Weber USA INC won the 1991 Chrysler Quality Excellence Award from Chrysler.**

**Carello won the 1991 GM Quality Service Price Award, Supplier of the Year from GM.**

**Weber Lighting Cannock won the 1991 Preferred Quality Award from Ford.**

## 1990

**Magneti Marelli Cofap Brazil** won the **Melhor Desempenho 1990-93-94-95-96** award from **FIAT**.

**Magneti Marelli Cofap Brazil** won the **Quality Excellence** Award in **1990-91-92** from **Chrysler**.

## 1989

**Carello** Turin won the **1989 Preferred Quality** Award from **Ford**.

**Magneti Marelli S.p.A.** obtained the **1989** Membership Certificate from the **EFQM** - European Foundation for Quality Management.

## 1988

**Magneti Marelli Electrical LTD**, Shaftmoor Lane Birmingham won the **1988 Preferred Quality** Award from **Ford**.

## 1987

**Magneti Marelli Cofap** Brazil was assigned the **1987** New Holland **Certificate of Quality** from **Ford**.

**Magneti Marelli S.p.A** won the **1987** International Award for **Excellence in Quality** from **Saab-Scania**.

## 1986

**Magneti Marelli Cofap Brazil** won the World Level Q1 **Preferred Quality Award 1986** from **Ford**.

## 1985

**Weber USA INC** won the **1985 Preferred Quality** Award from **Ford**.

## 1964

**Veglia Borletti**, Italy won the **1964 Golden Compass Award for design** for the Sfericlock alarm clock (designed by Rodolfo Bonetto) which forms part of the permanent design collection at the MoMA in New York.

**1937**

**Jaeger**, France: **1937, Diplome de Médaille d'Or** at the Exposition Internationale des Art et des Techniques.
